

CASE STUDY: SHADOW MOUNTAIN HIGH SCHOOL BRAVADO ACOUSTICAL SHELL

In February of 2016, Staging Concepts completed a beautiful custom Bravado Acoustical Shell for the Shadow Mountain High School in Phoenix, Arizona. In coordination with Clearwing Productions, Staging Concepts was able to supply 4 towers, each panel 20 feet high and 4 feet wide. The shells also features 6 doors at the bottom of the panels which serve well for moving about the stage.

The renovated Performing Arts Center cost \$4.8 million and was completed on time

and on budget. Renovations included state-of-the-art audio and visual equipment, new seating, building facade facelift, renovated restrooms, new interior makeover, complete lobby remodel, all new energy efficient lighting, mechanical upgrades, new carpet and flooring, and new paint throughout.
